

5/3/12 - DART Route 20 Driver Thanks

Thank you so much for our great morning driver, Perk. We have the 20 Route out of Hockessin around 7 A.M. He stays close to the schedule, greets everyone kindly, drives safely, and goes above and beyond in representing DART well. On Tuesdays, we miss him and his professionalism very much. If possible, may you please allow him to drive our bus on Tuesdays? Thank you.
